SAN FRANCISCO, Cal., Aug.7.

-A robbery so bold in its conception and daring in its execution that it has fairly paralyzed the police occurred at the Selby smelting works, on Bay Shore, Vallejo, early yesterday morning. Four bars of pure gold, each weighing from 1,000 to 3,300 ounces, and some 10,000 ounces of other gold, the total value being 280,000, were taken from the strong room of the smelter while watchman stood guard within fifteen feet of the door. One of the watchmen heard the noise made by the the thieves, but said: "It's only ghosts in the vaults," and continued on his rounds. The gold was taken from the vau't to a boat and carried away. It was generally understood that Wood would take his choice of these two quarters, leaving the second one for Miss Beals, but there was a shock in store for the girl.

Wood, who was accompanied by his attorney, claimed 160 acres of land running the entire length of the town site. His lawyer asserted that under the homestead law it made no difference what fifty thousand brick, 40 per cent, hard brick form the land chosen was in, to be delivered at a school house site in district No. two, Polk township.
